Announcement 1119

## **Attention Provider Type 75: Rates for Psychiatric/Substance Abuse Services Updated**

The Centers for Medicare & Medicaid Services (CMS) has approved the new rates for psychiatric and substance abuse services billed by provider type 75 (Critical Access Hospital (CAH), Inpatient) effective for claims with dates of service on or after January 1, 2016. The Medicaid Management Information System (MMIS) has been updated. Starting on claims with dates of service on or after April 6, 2016, the claims will reimburse at the new rates instead of the former rates. Claims with dates of service on or after January 1, 2016, through April 5, 2016, that paid at the former rates will be automatically reprocessed. A future web announcement will notify providers when the affected claims will be reprocessed.
